VOLUNTEER EXPERIENCE

Missionary

Church of Jesus Christ of Latter-Day Saints | Birmingham, England| 2019-2021

- Taught individuals and families about the gospel, developed leadership and communication skills, and provided community service in England.
- Organized events, worked with local organizations, and collaborated with fellow missionaries to achieve mission goals.
- Developed cultural awareness and appreciation for diverse backgrounds and perspectives.

ABOUT

As a skilled web developer with experience in vendor management and marketing, I possess a unique blend of technical expertise and business acumen. With a successful track record of completing 4 coding projects, which can be found on my Github account, I am currently completing a full stack development course. I am a fast learner who works effectively with others to develop innovative solutions. With a commitment to delivering exceptional results, I am eager to leverage my skills to excel in a dynamic and challenging role as a web developer.

EXPERIENCE
